

Go Higher West Yorkshire is a consortium of HE providers in our local area, working together to reduce inequality in higher education access, success and progression.

Go Higher West Yorkshire is part of the Uni Connect programme funded by the Office for Students. The project offers activities, advice and information on the benefits and realities of going to university or college.

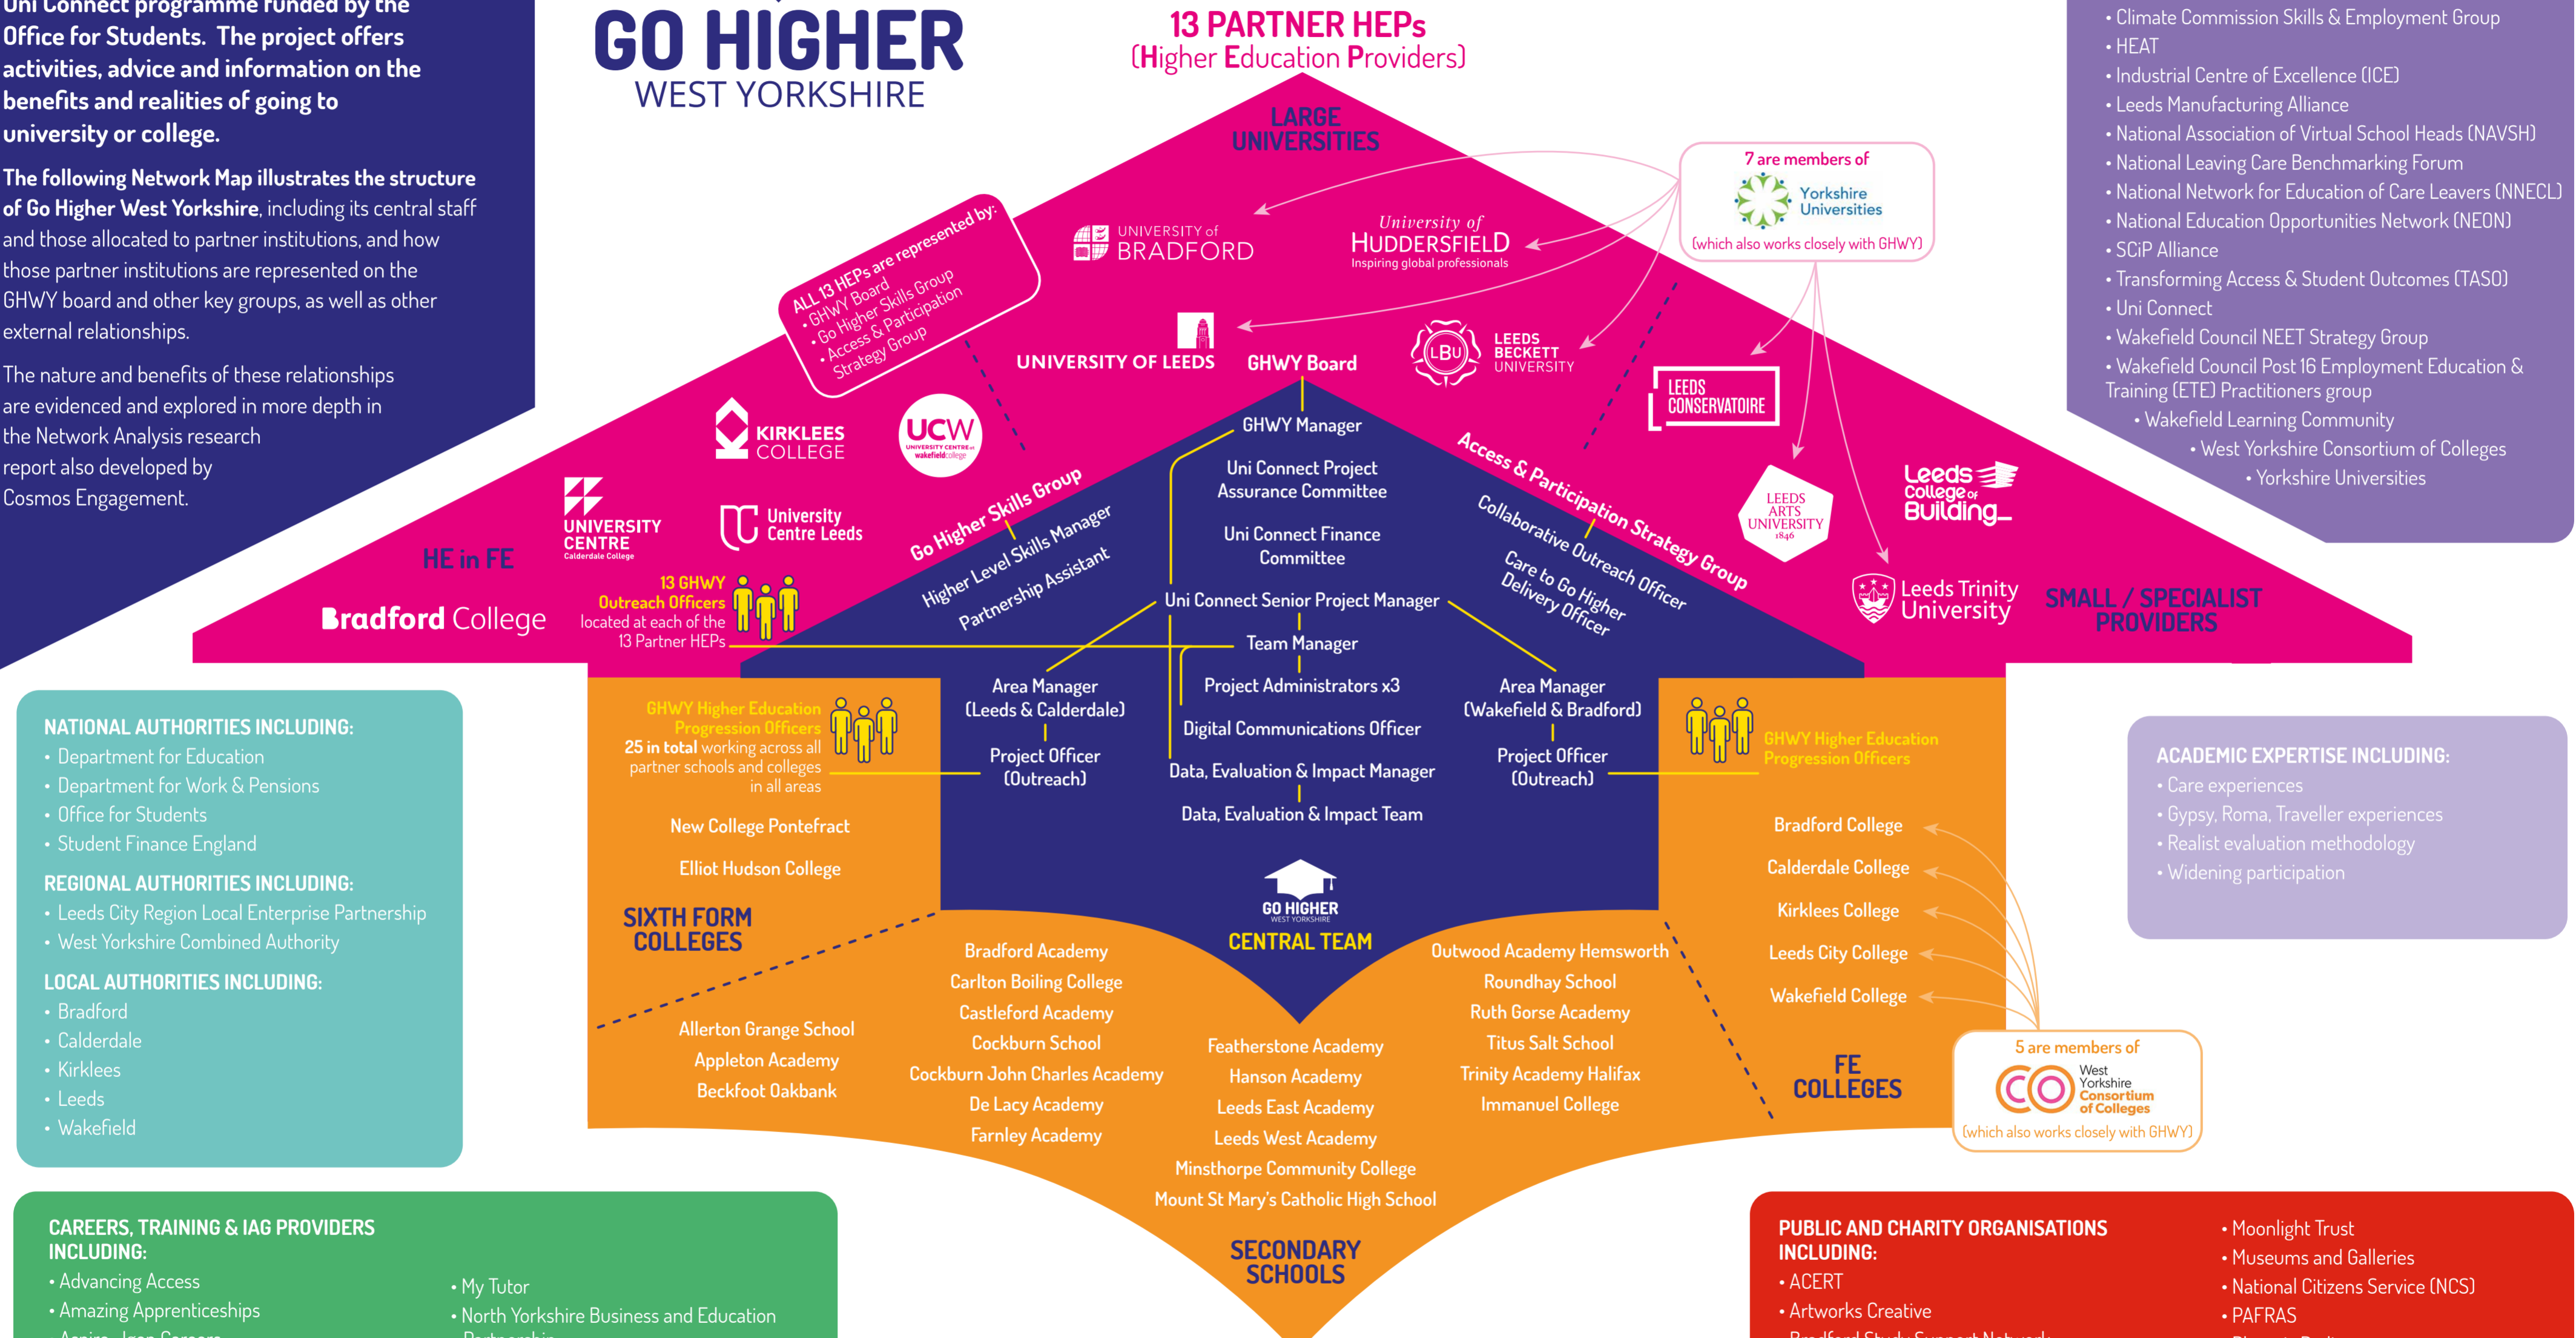

The following Network Map illustrates the structure of Go Higher West Yorkshire, including its central staff and those allocated to partner institutions, and how those partner institutions are represented on the GHWY board and other key groups, as well as other external relationships.

The nature and benefits of these relationships are evidenced and explored in more depth in the Network Analysis research report also developed by Cosmos Engagement.

Network Map

13 PARTNER HEPs
(Higher Education Providers)
